

“UNTITLED ROMANCE SERIES”

Tape Submission Information:

In order to be considered for the cast of this series, you must send in an amazing and heartfelt Home Video showing us why you deserve to embark on this romantic journey!

You have 3 days from the receipt of this letter to submit a personal audition tape.

You must make a personal audition tape. It should be fun, sexy, romantic endearing and truly prove why you should be on the show. Tell us why our bachelor will fall in love with you and how you will make that happen. Prove to us why you'll become the next great television personality!

The following are guidelines for your Home Video Audition:

- The videotape you send us must be in VHS, DVD, Mini DV Tape or Memory Card format **ONLY**. Please watch the video to be sure that it looks and **sounds** good before sending it in.
- Label the tape/dvd/memory card clearly with your full name and phone number.
- Make sure you are not backlit. Standing in front of windows or other major light sources looks terrible on camera.
- Make sure you are framed properly. At the beginning of the tape, have a close, tight shot of you smiling and introducing yourself. Also include a full body shot, twirling around in your fab outfit!
- Tape should be no more than 5 minutes long and **HAVE FUN WITH IT!**
- Content (be sure your outfit, hair and makeup show your style at its **BEST**. You want to look beautiful on your tape!):
 1. Say your Name, Age and where you're originally from and where you reside now.
 2. Tell us about your lifestyle, your personality, and how your closest friends would describe your best and worst qualities.
 3. Describe your past serious relationship/s (marriages, children etc.)
 4. How do you feel about competing against other women for one bachelor? Why do you want to do this?
 5. Brag! What are your best assets? What makes you a great catch?
 6. Have any talents? **SHOW US!**
 7. Why are you single? Have you ever come close to Mr. Right? What happened?
 8. How do you feel about your body image when it comes to your love life? Tell us any stories!
